Recycling Contamination & Education: Where Are We Now?

Recycling Market Trends and Impacts

Wednesday, September 18 at 6:30 pm

Kalamazoo Valley Community College - Texas Township Campus
6767 West O Avenue, Kalamazoo, MI 49003 - Classroom 9130

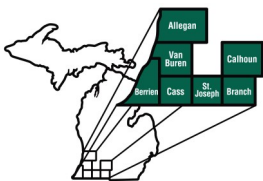

Who should attend: County Commissioners, Municipality Boards, Recycling Partners

We plan to hear from a recycling hauler, a MRF operator, a recycling brokerage company, a consultant, and the Recycling Market Development Specialist with EGLE on what impacts this policy has had on the recycling industry and what we can all do moving forward!

You wont want to miss this informational update!

Please RSVP by Thursday, September 12:
